CLINICAL TRIAL SUPPORT CENTER (CTSC)

Patients or HCPs can work one-on-one with an LLS Clinical Trial Nurse Navigator who will help find clinical trials and personally assist throughout the entire clinical-trial process. HCPs can contact the CTSC or refer their patient at CTSC@LLS.org or by visiting www.LLS.org/Clinicaltrials

INFORMATION RESOURCE CENTER

Refer your patients to an Information Specialist who can assist through cancer treatment, financial and social challenges and give accurate, up-to-date information, support and resources. Our Information Specialists are highly trained oncology social workers and nurses. HCPs can also contact Information Specialists for information and free resource materials. www.LLS.org/IRC
